THE MOUNTAIN STATES TELEPHONE AND TELEGRAPH COMPANY

GENERAL INFORMATION

CALLS TO THE TELEPHONE COMPANY

For Long Distance	Call Long Distance
To report telephone out of order	Call Repair Service
To report service irregularities or to obtain assistance	Call Chief Operator
For numbers not listed in this directory	Call Information
For all other purposes, or if your requirements are not met by calling as outlined above	Call Manager

SERVICE DIFFICULTIES

In its endeavor to furnish satisfactory telephone service, the Company necessarily depends to a large extent upon the cooperation of its customers. Therefore, we urge you to report promptly, by telephone, all service irregularities and the existence of worn and defective apparatus such as broken mouthpieces, frayed cords, loose wiring, etc. These repairs and replacements are made **WITHOUT CHARGE.**

SERVICE SUGGESTIONS

After you place a call, be sure to allow what you consider a sufficient length of time to enable the called person to reach his telephone, before concluding there is no one there to answer.

When your telephone bell rings, answer as promptly as possible by announcing your number or name.

Be sure the receiver is properly restored at the close of a conversation. Otherwise your line may be "out-of-order" when someone is trying to call you.

APPLICATIONS FOR NEW SERVICE, MOVES AND CHANGES

If you want a telephone installed or moved, or if you want any changes in your present service, we shall be glad to make a definite appointment to handle your order at a time convenient for you; and the work will be done by us with the greatest possible diligence. Just call our business office.

CHANGES AND ERRORS IN DIRECTORIES

No liability shall attach to or be assumed by the Company for any errors or omissions in the compiling, printing or distributing of its directories. In order that the directory records may contain correct listings at all times notification of changes or errors should be given at once at the Business Office of the Company.

ATTACHMENTS TO DIRECTORIES

The usefulness of the directory is impaired if an outside cover is used, or if anything is pasted on the outside or inside of the book. For this reason, such attachments must not be permitted.

ATTACHMENTS TO TELEPHONES

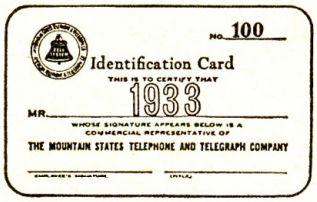
The equipment, apparatus and lines furnished you have been designed to produce the best telephone results. The attachment to them of any appliance of whatever character not furnished by this Company is entirely unnecessary and interferes with the service. You are, therefore, requested in the interest of good service not to use, or permit the use of such attachments. Further, the protection of the service requires that when such attachments are found, they be immediately removed.

ADVERTISING TELEPHONE NUMBERS

Many subscribers find it convenient and profitable to use their telephone numbers on stationery and business cards, as well as in their advertising. We encourage this practice, but it should be understood that the assignment of the telephone number does not vest in the subscriber a property right thereto.

We exert every effort to avoid changing telephone numbers, but the needs of the service occasionally compel us to do so. Obviously, when you display your telephone number, the value to you, and to the service as well, depends upon the number being carried correctly at all times. Therefore, in the event your number is changed, it is suggested that corrections be made as promptly as possible.

IDENTIFICATION OF EMPLOYEES



All employees who are authorized to represent this Company are furnished with identification cards similar to the accompanying illustration, bearing the name and signature of the employee. Subscribers are requested to refuse access to their premises to anyone who cannot in this way identify himself.

HOW TO SEND TELEGRAMS AND CABLEGRAMS BY TELEPHONE

To file a telegram or cablegram by telephone follow the instructions given in this directory under the name of the particular Telegraph Company desired.

IMPROPER LANGUAGE

Profane or obscene language over the Company's wires is prohibited. Subscribers are responsible for the enforcement of this rule. Failure to observe this will constitute cause for discontinuing service.

A PERSON-TO-PERSON CALL—Is for use in talking to a *particular person.* No reductions are made in Person-to-Person rates.

APPOINTMENT CALL—When you want to talk to a particular person at a specified time.

MESSENGER CALL—When it is necessary to send a messenger to summon the particular person called.

CALLS TO NEARBY TOWNS

Station-to-Station calls from Durango to any of the towns listed below may be placed by giving the desired number to the local operator who will attempt to complete your call while you remain at the telephone.
